Letter of PMA and TSOA Organization Designation Authorization (ODA) Designation

Dear Mr. Kober:

Under Title 14 of the Code of Federal Regulations, part 183, subpart D, we at the Federal Aviation Administration (FAA) authorize Adams Rite Aerospace, 4141 North Palm Street Fullerton, CA 92835 as ODA-830267-NM. Your organization has been found qualified and capable to perform as a Representative of the Administrator for the purposes of performing production airworthiness and type certification procedures. You may use ODA procedures in accordance with 14 CFR part 183, subpart D and your FAA approved procedures manual. This authorization expires on September 30, 2017 and is effective for the purposes of issuing and revising PMA supplements based on licensing agreement or STC; issuing domestic airworthiness approvals for new PMA and TSO articles; issuing export airworthiness approvals for new PMA and TSO articles; establishing conformity inspection requirements; determining conformity of articles including test articles and test set-up; and determining conformity of installations of articles, excluding TIA inspections on a product.

This is a significant milestone in your organization's relationship with the FAA. Your demonstrated performance and responsive attitude in working with us contributed to this approval.

Approved: September 15, 2015
